

Restoring Marriage & Family in 2014

Hope for Highland Park & America

Dear Friend,

Marriage, God's first institution, offers firm foundation for healthy, fruitful lives. Children raised by Mom & Dad's committed love in two-parent households enjoy safer, healthier childhoods. They do better in school. Married couples live longer. They support and enjoy each other more. Well-being and peace supplant addiction and despair.

We see the results of four decades of rejecting the divine plan. America teeters on collapse—marriage plummeting, widespread co-habitation, unwed births, soaring divorce—deceit redefining marriage. God's first institution faces termination.

St. John Paul II once said, "As the family goes, so goes the nation, and so goes the whole world in which we live." This truth augurs perilous times for Detroit, America, and the world unless we set sail for a Godly, more prosperous future. Let us begin in Highland Park—epicenter of collapse or New Jerusalem rising in triumph!

Please join us Monday, November 10—God remains enthroned. Jesus' teachings—love, life, marriage & family—still illuminate the way. God's truth and proven best practices lead us. Bring your mustard seeds for a great conference and a new day in Metro Detroit. We will share, digest, discuss, and plan—to create joyful, thriving families—then work to make it happen.

Monday, November 10, 2014
9:00 a.m. – 4 p.m.

Soul Harvest Ministries
16300 Woodward
Highland Park, MI 48203
